ANTARCTICA

The Empire of Whiteness

Bruxelles, 2016

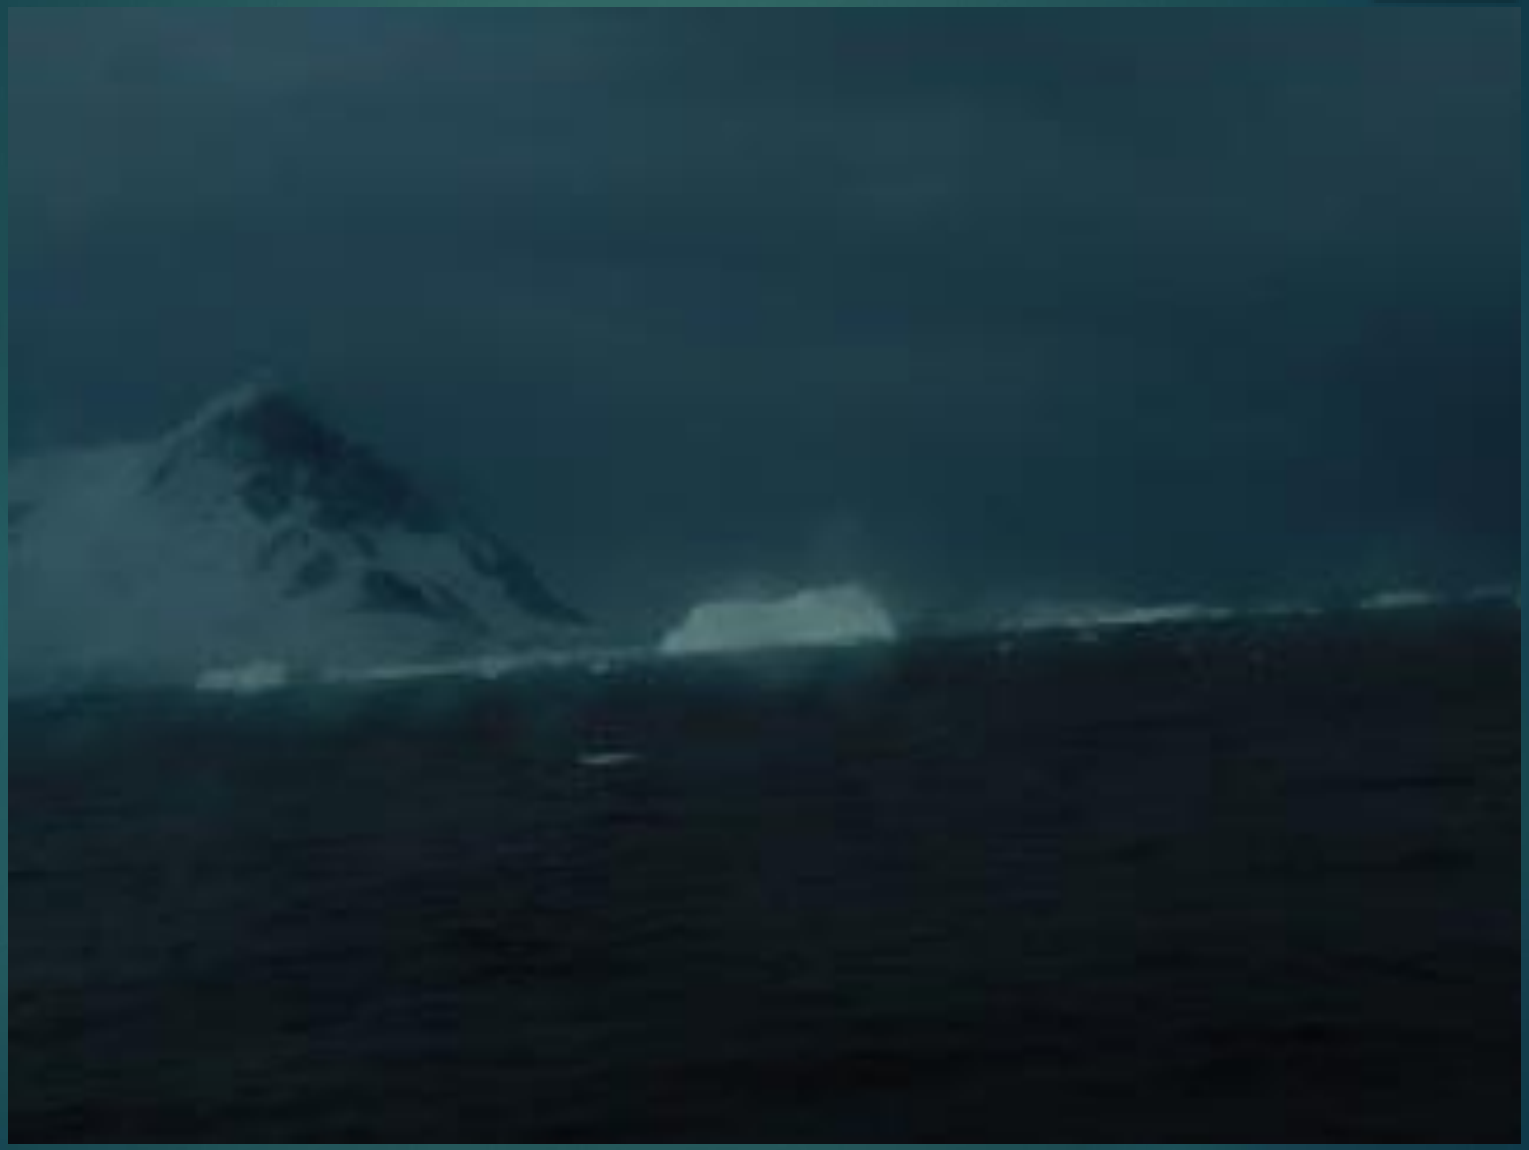
Text & photo by Florentin Smarandache.

departure

blue waters

waves in the night

spectacularity



approaching whiteness

white splendor

in between

black & white

the intruder

walking in the nowhere

white lines & curves

penguins' land

ice travelling

dots in the snow

clouds of ice

ice hearts

eternal snow

light of the night

traces

white miracle

white reflections

white feeling

cold beauty

the ice bird

making waves

a soft wavering light in the waters

all penguins' land

on their way

another side of infinity

penguins' fog

penguins and stones

breakup

dark white

masters of whiteness

temporary here

blue whiteness

soul reflecting

as white as the black

contrasts

shimmering in the night

the lonely

white glinting

whitewashing

white morning

fluffy whiteness

fresh whiteness

sunny silence

bleach

blowing flower

a brood of whiteness

water wings

the shapes of whiteness

white border

run and don't look back

duplicate

still waters near white quietude

the white state of stillness

painting

lost in the frozen ocean

white friends

inspiration

adventurers

soliloquy

facing the eternity

browsing

a closer look for some gods

stalwart whiteness

pin-up

mirrors

the new white is blue

blue holes in the whiteness

that secret

all family back together

witnessing whiteness

pretended dead seal

morning walk

antarctic dance

some life in the white desert

solitarity

think it's a lake

cross

other dots in the snow

freezing sunset

by the eternity's shore

the road

spots on the mirror

from height

magical journey

white story

perambulation

recluse

craggy

two of them

sunday

piercing the whiteness

stubborn cliffs

hoar

antartification

blue evidence

the cave

the entrance

some sort of peace

white freedom

snow clods

in the middle

penguins & cliffs

taking a break

shadows

mirage

in the circle

forever white

the empire of whiteness

old steps

running contest

locomotion

penguins' house

reaching the sky

white alley

at night

a forgotten boat

white harmony

the stone

some are tired

broken blue

sleepology

sky everywhere

the blue definition of whiteness

been there, done that

the end of a journey

This album is a photolog of a cruise made by the author with the ship "Plancius" in the empire of whiteness which is Antarctica.
